BUYING GUIDE

Plan Your AG 180

Your Work

Which jobs, terrain and operating conditions will the tractor need to handle?

Your Implements

Confirm PTO speed, hitch requirements, hydraulic flow and equipment compatibility.

Your Configuration

Discuss engine-equipped or glider availability, tyres and any optional equipment.

Your Destination

Confirm freight arrangements and applicable import or emissions requirements.

Your Written Quote

Confirm final price, equipment, warranty terms, availability and delivery before ordering.

Contact URSA to discuss your requirements and arrange a visit to Bowden.
